followed by an mClass info session with Mrs.
Cutler 6:00
- 9/29- Pajama Day, Early Release- 11:45am

Important Information

Volunteer Clearance- This is a reminder that if you want to volunteer in the classroom or help chaperone a field trip you must apply for clearance with Wake County Schools. This can only be done on a school computer located in the Media Center. It can take a week or more to be cleared so please do this as soon as possible if you plan to volunteer.

Lunch

- While we are establishing routines and procedures in the cafeteria the Kindergarten Team asks that you please not visit your child for lunch until after Oct. 6th. We appreciate your cooperation with this.

Classroom Happenings

The children have been busy learning classroom routines and procedures and meeting new friends at school! This past week we read No, David! And David Goes to School. David is a young boy who has trouble listening and following rules.

After reading the books we brainstormed rules that would help David be a better student and that would apply to our class as well. Understanding and following rules is part of our social studies unit "Being a Good Citizen."

This past week and going into next week we will be doing activities with our names. This includes learning the names of our classmates and teachers as well as writing our name correctly with a capital letter followed by all lowercase letters.

In writing the children were introduced to the sight words I and like. They wrote about things that they like such as their favorite food, color, and animal. We also started Letterland and met the characters for letters a-e. Letterland is the phonics program we use at DDE.
